Technology Partner Program (TPP)

- **Enhance Solution:** Accelerate customer success by developing and publishing integrated offerings on the Boomi Marketplace.

- **Quality and Accessibility:** Ensure partner-built solutions meet Boomi standards and are easy for users to discover and adopt.

- **Empowerment Through Enablement:** Leverage the self-serve Tech Partner Portal for tools, support, and resources to independently develop and launch your solutions.

boomi

Technology Partner Program Highlights

Market Reach

Publish solutions and AI Agents on the Marketplace

Platform Access

Use the complete Boomi Enterprise Platform — includes Agentstudio/SDK for building, testing, and publishing

Collaborative Ecosystem

Dynamic network of Partners to learn and innovate

Tech Support

Dedicated tech support and access resources

boomi

Boomi Marketplace

Boomi Marketplace is a platform where customers can easily browse, search, and filter solutions developed by Boomi and its partners.

Solutions on the Marketplace today:

- Designer Agents
- AI Solutions
- Accelerators
- Recipes
- Task Automation
- Connectors
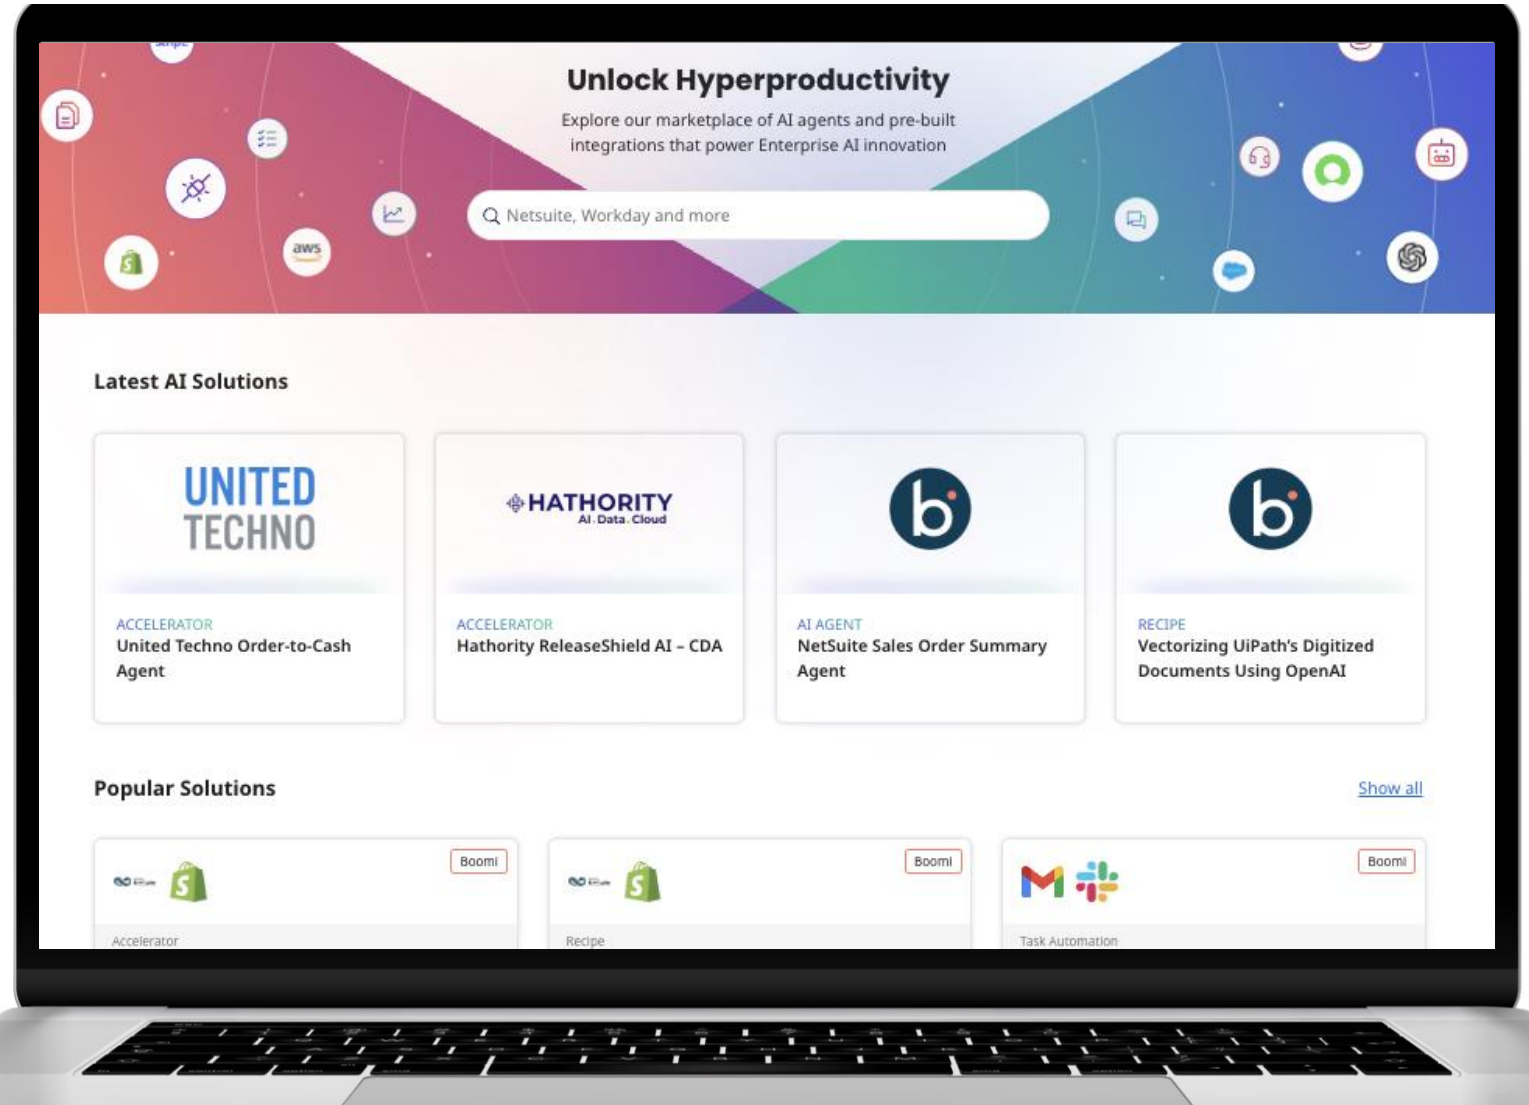

boomi

Why Publish on our Marketplace?

Increase Visibility

Gain exposure to Boomi's extensive customer base and network

Collaboration Opportunities

Foster partnerships and networking within the Boomi ecosystem

Potential Sales Increase

Attract customers and drive sales

Showcase Innovation

Highlight innovative solutions and position yourself as industry leaders
